

GOOSECROSS®

NAPA VALLEY

Goosecross Estate Cabernet Sauvignon, Vintage 2006 Yountville AVA, Napa Valley

Winemaker, Geoff Gorsuch, is proud to release this first vintage of our 100% Yountville Estate Cabernet Sauvignon. "It confirms that the time and effort spent researching varieties, optimal clones, rootstock hybrids and vine spacing prior to our replant in 2003 is paying off in a big way."

Winemaker Notes

Geoff took advantage of the cool harvest conditions and allowed for plenty of "hangtime" resulting in peak flavor maturity and near textbook balance.

- **Flavor profile: Black cherry, boysenberry, chocolate, toasty oak and spice**
- **2006 Vintage: Lower crop yields than previous years produced small berries with great flavor intensity, deep color and soft tannins**
- **Drink now and through: 2014**

Food Suggestions

Try our Estate Cabernet Sauvignon with slow-cooked dishes like osso-buco or short ribs. It pairs perfectly with steak, lamb or grilled Portobellos. From Colleen's recipe collection we recommend **5 Peppercorn Steak with Creamy Reduction Sauce**.

Technical Notes
